

FALL GARDENING: IN-PERSON SESSION

In Partnership with
Shade of Miti

SHADE OF MITI

Wednesday, September 18, 2024
10:00 a.m. – 11:30 a.m.

The temperature is dropping, and the leaves are changing colours, but there's still lots you can grow in your garden!

Join local farmer Rav from Shade of Miti to learn which vegetables you can grow in your backyard, on your balcony, or inside your home during the fall. In the workshop, you will also learn about healthy soil and how to save seeds from your plants. This workshop is perfect for people who are new to growing food.
